

Wittenburg Consulting LLC

Policy, Evaluation, and Data Strategy for Disability, Health, and Human Services

David C. Wittenburg, Ph.D., President | 609-423-5737 | davewittenburg@wittenburgconsulting.com | wittenburgconsulting.com

ABOUT

Wittenburg Consulting LLC provides strategic consulting, evaluation, and analytic services to advance disability, health, employment, and human services policy. Building on senior leadership roles at Mathematica (2005-2024) and Westat (2024-2026), David Wittenburg established the firm to deliver senior-level expertise in cross-system strategy for federal, state, and mission-aligned clients.

SERVICES

- Program evaluation design: RCTs, quasi-experimental, and mixed methods
- Policy analysis, evidence synthesis, and legislative support
- Administrative and survey data analysis, linkage, and reporting
- Rapid-cycle evaluation and implementation research
- Technical assistance, training, and program design
- Strategic advising for federal, state, and foundation initiatives

PAST PERFORMANCE

- **SSA:** Led several major national employment and disability research studies, from design through impact analysis.
- **California:** Supported evaluation design for the \$4.7B Youth Behavioral Health Initiative.
- **Multi-agency:** Directed disability and social policy portfolios of up to \$80M at Mathematica and up to \$60M at Westat.
- **Federal acquisitions:** Won competitive proposals and scaled contract awards in the \$20M-\$30M range.

DIFFERENTIATORS

- Former Vice President (Westat) and Senior Fellow (Mathematica) with 25+ years of federal research leadership.
- Nationally recognized expert in disability employment policy; testified before U.S. House Ways and Means Committee (2011); served on two NASEM standing committees (2017-2024).
- Trusted relationships with program officers and leadership at SSA, DOL, HHS, USDA, RSA, NIDILRR, and ACL.
- Experience using transparent analytic workflows with documented coding rules, validation checks, and human review.
- 30+ peer-reviewed publications; 50+ technical reports.

TEAMING & AVAILABILITY

Available for prime contractor, subcontractor, and senior advisory roles, proposal support, evaluation design, technical assistance, and short-turnaround policy analysis. Federal registration active in SAM.gov.
